Mount Vernon, WA 00000

Dear Mr. Smith,

Thank you for your recent donation(s) to Rotary First Harvest. So far this fiscal year (which runs from July 1 - June 30), we have gathered over 5 million pounds of wholesome, surplus produce for the hungry from local farmers and food processors. Just as the nutrition and variety that produce provides critical to the health of those in need of food, so to is prompt and efficient delivery of that food to our partner agencies.

The following are the details of your transportation contribution(s):

From: Quincy To: Seattle

Picked up 14199 lbs. of Mixed Vegetables at Joe Smith Farms
Dropped off 14199 lbs. of Mixed Vegetables at NWH - Seattle warehouse

From: Quincy To: Seattle

Picked up 1298 lbs. of Green Beans at Joe Smith Farms
Dropped off 1298 lbs. of Green Beans at Food Lifeline

Over half of the people served by food banks are children or the elderly. As you know, both these groups are particularly vulnerable to the ill effects of poor nutrition and hunger. With your help, food banks throughout Washington are able to offer the kind of wholesome food that promotes good health.

Transportation is as important a donation as the food you transported. You are literally helping to drive hunger out of Washington State.

Sincerely,

David Bobanick
Executive Director
