

## RFH Gift Cards: The “Best” Speakers’ Gifts

*When was the last time your club received a note thanking you for a speaker’s gift?*

Rotary Clubs that use Rotary First Harvest speaker cards often do! For instance, a Burien-White Center president received a letter from a speaker stating, “In all my years of public service, I have rarely been so blessed by such a gift.”

At an Emerald City Rotary Club meeting, the speaker started out by announcing that this was the 1001<sup>st</sup> speech he had given. At the end of his speech, club president presented him with an RFH Gift Card. The speaker declared it to be the “BEST gift he had ever received.”

You can get responses like these by giving RFH Gift Cards for the speakers at your club meetings. Give a gift that truly makes a difference both to the speakers and to the hungry in our communities.

### How it works:

1. Submit your order to RFH via email, phone, fax or mail.
  - A. Decide how much you would like to donate per speaker. The minimum amount is \$5 each. Most clubs donate between \$10 and \$50 per card. For every dollar donated RFH is able to provide approximately 30 pounds of produce for hungry men, woman and children in Washington.
  - B. Decide how many cards you need. (You can reorder anytime during the year, and leftover cards can be used during the following fiscal year.)
2. We will coordinate with you to get the cards to you.
3. Send your donation to RFH. Please consider an additional donation to cover postage should you choose to have the cards mailed to you.

The insert cards can say, *“Thank You From X Rotary Club. In appreciation for your participation in today’s Rotary Program, a donation equal to # pounds of food has been made on your behalf to Rotary First Harvest,”* or we can customize them upon request.
